Dear :

Welcome to the NICU Parent Buddy Program! Thank you for volunteering to mentor another NICU family who is facing a similar journey to your own.

We know your support will be invaluable to the family with whom you are matched, but we also know you may have some questions and concerns. We are here to support your Parent to Parent experience as well. The attached sheet has answers to Frequently Asked Questions, as well as contact information for our team. We are available by email, text, and phone if you have additional concerns, and someone can be reached 24 hours a day if an urgent matter develops for you or the family you are supporting.

We hope your experience with the mentor program is rewarding and enjoyable. Please let us know if there is anything we can do to assist you in the process.

Thank you!

Sincerely,

Dharshi Sivakumar, MD
