

Verbal prompt: *The goal of our team is to provide the best possible care to both babies and families. For that, I would like to tell you about our THRIVE program. It is a few questions that cover areas such as housing, food, and other needs that many parents in the NICU have. Some questions may not apply to you but we ask them to all families. You may answer all questions, some, or none at all if you prefer. Our team will do its best to help you find resources and services you may be eligible for.*
